Estos planos se publican únicamente a efecto de poder identificar la ubicación de la unidad funcional asignada a través del sorteo.

Las medidas son orientativas y provisorias. La tipología, superficies y características de las unidades, así como los servicios generales y espacios comunes, están sujetos a modificaciones y replanteos que resulten de ajustes técnicos y/o requerimientos de las autoridades correspondientes. Asimismo, las medidas definitivas surgirán de los planos de subdivisión de propiedad horizontal aprobados por las autoridades correspondientes.
